

# Newaygo County CERT and MRC

*An organized and efficient response to a large-scale emergency depends on the active participation from members of the community. With formal training, Community Emergency Response Team (CERT) and Medical Reserve Corps (MRC) team members have the knowledge and skills to help save lives and protect property.*

A full description of the Newaygo County CERT and MRC Team are available on our website at <https://www.newaygocountymi.gov/departments/emergency-services/volunteer-opportunities/>

# Newaygo County CERT and MRC

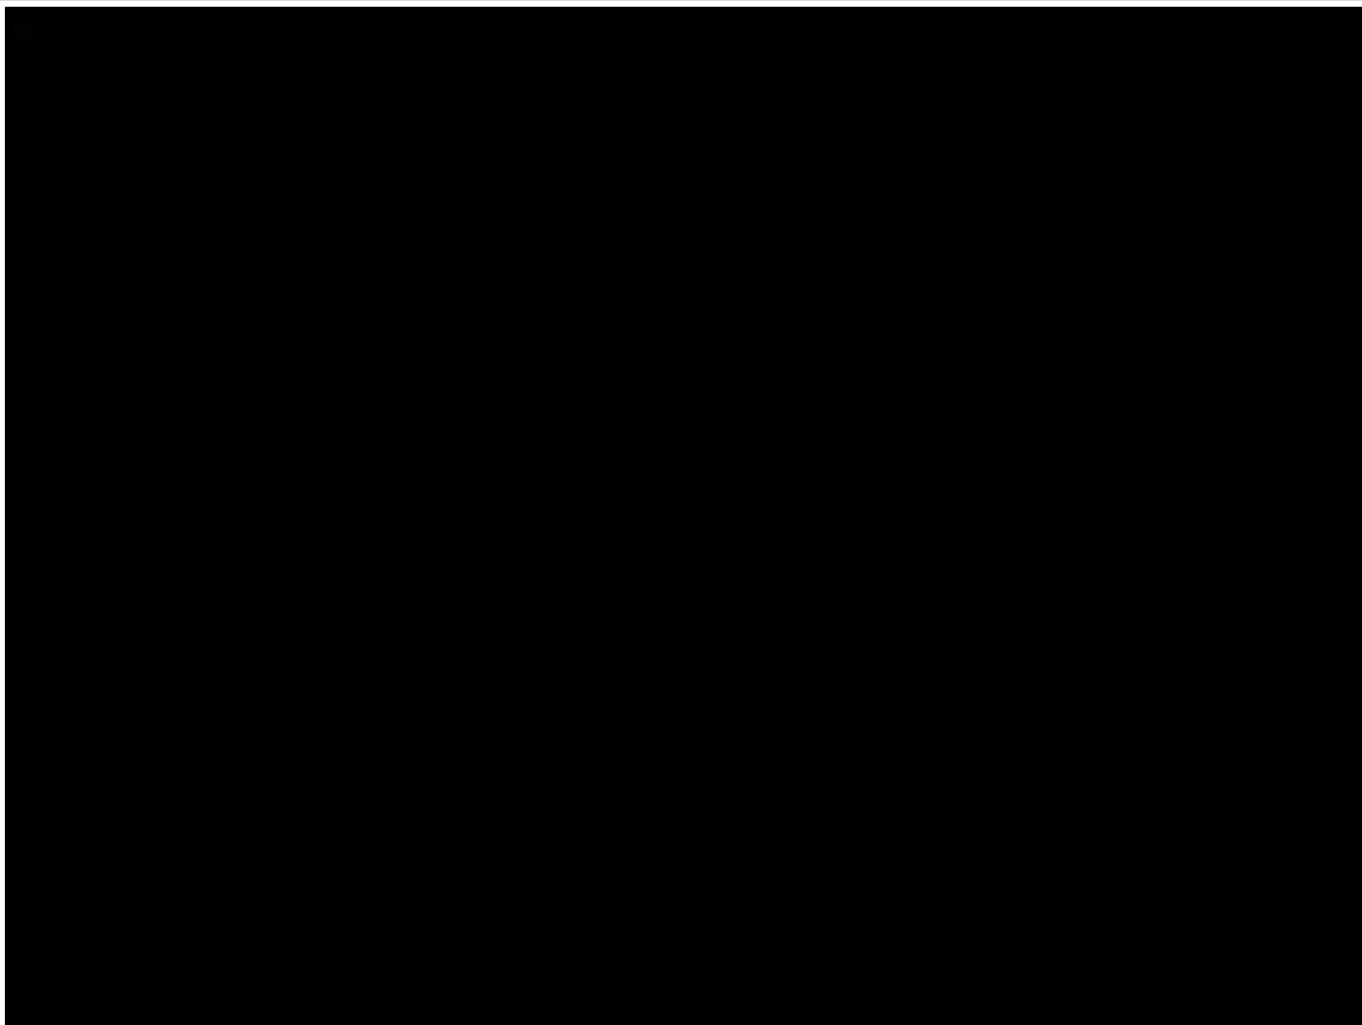

*The Community Emergency Response Team (CERT) and Medical Reserve Corps (MRC) team members also have the knowledge and skills to help provide safety and first aid during special community events.*

## Expo To Provide Free Family Fun

We are excited to announce the return of the Great Start Family Expo. This is a wonderful event for families to learn about the plethora of programs and services available to Newaygo County residents. This is always a great time with lots of door prizes, free books, games, crafts for attendees of all ages. And best of all - it is free!
