AGREEMENT

THIS AGREEMENT, made and entered into this 28th day of October, 2020, between the NEWAYGO COUNTY BOARD OF COMMISSIONERS, hereinafter referred to as the "BOARD" and the SHERIFF OF NEWAYGO COUNTY, hereinafter referred to as the "SHERIFF", and the POLICE OFFICERS ASSOCIATION OF MICHIGAN, hereinafter referred to as the "UNION".

PREFACE

It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise and to set forth herein the basic agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

The Board, Sheriff and the Union recognize their moral and legal responsibilities under Federal, State and Local laws relating to fair employment practices.

The Board, Sheriff and the Union shall not discriminate because of race, religion, creed, color, national origin, age, sex, or marital status as required by law.

ARTICLE 1 **ROLE AND RELATIONSHIP OF BOARD AND SHERIFF**

Section 1. As used in this Agreement, the term "Employer" shall be considered the Newaygo County Sheriff, except insofar as the Newaygo County Board of Commissioners has specific constitutional or statutory rights or responsibilities with respect to County government and its administration.

The Board and the Sheriff each agree respectively to retain and reserve to themselves individually, without limitations, all the powers, rights, authorities and duties conferred upon them by the constitution and the laws of the State of Michigan.

Nothing in this Agreement shall be taken as a dilution of the powers conferred by law upon the Board and/or the Sheriff and their relationship to each other.

The Union only recognizes that the Board of Commissioners may be the Employer to the extent that it controls the economic factors involved in the employment contract, but that the Sheriff is the Employer who has control over the day to day operations of the Sheriff's Office, thus, the Board of Commissioners and the Sheriff are dual employers for collective bargaining purposes.

ARTICLE 2

EMPLOYER RIGHTS

Section 1. The Employer will not discriminate against any employee because of their membership in the Union.

Section 2. Rules of conduct not inconsistent with the specific terms of this contract in effect at the date of this Agreement may be continued by the Employer. The Employer shall have, within their discretion, the right to make, amend, supplement or delete rules and regulations. New rules shall be reasonable and shall relate to the proper performance of an employee's duties and shall not be applied in a discriminating manner. The Union President shall receive a copy of any new or modified rule two (2) working days prior to its effective date, unless conditions warrant immediate implementation. If there is concern regarding the reasonableness of the new rule or rule change, the Union President may request a special conference between the Union, Sheriff or their representative and the County Administrator to discuss the new rule.

Section 3. Any unresolved complaints as to the reasonableness of any new rule or regulation or any complaint involving discrimination in the application of any new rules and regulations shall be resolved through the grievance procedure.

Section 4. If a new work rule is implemented and is grieved, the issue before the committee or arbitrator shall be whether said rule is reasonable and related to the proper performance of the employee's duties and/or applied in a non-discriminatory manner.

Section 5. Retention of Rights. The Employer reserves and retains, solely and exclusively, all rights to manage and direct its work forces, except as expressly abridged by the specific provisions of this Agreement, including by way of illustration, but not limitation, the determination of policies, operations, assignments, schedules, layoffs, etc. All rights, functions, powers and authority which the Employer has not specifically abridged, delegated, or modified by specific terms of this Agreement are recognized by the Union as being retained by the Employer.

ARTICLE 3

RECOGNITION

Section 1. Collective Bargaining Unit. Pursuant to the provisions of Act 379 of the Public Acts of 1965, as amended, the Employer hereby recognizes the Union as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for all employees employed by the Newaygo County Sheriff's Office in the following described unit:

All full time and part time certified deputies as defined by the County personnel policy of the Sheriff's Office of the County of Newaygo, except the Sheriff, Undersheriff, Command Officers, Supervisors and head matron.

Section 2. The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any other such group or organization for the purpose of undermining the Union, or which would tend to undermine the efforts of the Union as the sole bargaining agent for the employees as set forth in Section 1 hereof.

The Union agrees that neither the Union, its agents, nor its members will authorize, instigate, aid, condone or engage in a work stoppage, slowdown, strike or other concerted activity which interferes with the operation of the Employer. Individual employees or groups of employees who instigate, aid or engage in a work stoppage, slowdown or strike may be disciplined up to and including discharge at the sole discretion of the Sheriff. If the employee denies that they engaged in such activity, the matter shall be resolved through the grievance procedure.

Section 3. Copies of Agreement. The Employer shall provide all present and future employees in the bargaining unit a copy of this Agreement.

Section 4. The Employer shall not enter into any agreement with one or more of the employees defined in the bargaining unit of this Agreement which in any way conflicts with the provisions hereof, unless agreed to in writing by the Union.

ARTICLE 4 **REPRESENTATION**

Section 1. Bargaining Committee. The Bargaining Committee will include not more than three (3) employees, but only two (2) shall be paid. In addition thereto, it may include not more than two (2) non-employee representatives from the Union. The Union will furnish the Employer with a written list of the employee Bargaining Committee prior to the first bargaining meeting and substitution changes thereof, if necessary.

Section 2. Two (2) employee members of the bargaining committee will be paid by the Employer for time spent in negotiations with the Employer, but only for the straight time hours they would otherwise have worked on their regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the committeeman.

Section 3.

A. The Employer hereby recognizes the bargaining committee of the Union as the stewards, one of which shall be the President.

The Employer further agrees to recognize two (2) alternate shift stewards, each of whom shall have one (1) year seniority, who may exercise the functions of the steward under this Agreement only if the steward on their shift is absent.

A steward may investigate any alleged or actual grievance and assist in its preparation and may be allowed reasonable time thereof during working hours without loss of time or pay upon notification and prior approval of the immediate supervisor outside of the bargaining unit.

B. The Union agrees that stewards and their alternates will continue to perform their regularly assigned duties and that the responsibility of the steward will not be used to avoid those duties. Stewards and their alternates shall act in a manner which shall not disrupt nor interfere with the normal functions of the Department. If it is necessary for a steward or their alternate to temporarily leave their assignment to process a grievance, they shall first request permission of their immediate supervisor. In the event it is necessary for a steward to remain on their job after a request to handle a grievance is made, the steward shall be relieved to perform their representative duties as quickly thereafter as possible; both parties to this Agreement recognize a rule of reason must apply in this regard.

C. The Employer agrees to compensate stewards and their alternates during their regularly scheduled working hours when processing and investigating a grievance in accordance with this Agreement.

Section 4. The Union shall be permitted to schedule meetings on the Employer's property so long as such meetings are not disruptive of the duties of employees of the Department or the efficient operation of the Department, and provided further, that prior approval of such meetings is received from the Employer.

Section 5. The Employer and Union are required to meet at reasonable times to bargain in good faith on matters pertaining to wages, hours, or other conditions of employment, or the negotiation of an agreement, or any question arising under an agreement, and must sign a written agreement if requested. The obligation does not require the Union or the Employer to agree to a proposal by the other party or make a concession to the other party, but it does require bargaining with an open mind in an attempt to reach agreement.

ARTICLE 5

UNION SECURITY

Section 1. Agency Shop. As a condition of continued employment, all employees included in the collective bargaining unit, Article 3, Section 1, thirty-one (31) days after the start of their employment with the Employer or the effective date of this Agreement, whichever is latter, shall either become members of the Union or pay to the Union the periodic monthly dues uniformly required of all Union members or pay to the Union a monthly service fee which shall be no less than the periodic monthly dues required of all Union members. An employee shall be deemed to be in compliance with provisions of this Section if they have tendered the periodic dues or service fee to the Union and if they are not more than thirty (30) days in arrears in payment of such dues or service fees. In the event an employee becomes delinquent, thirty (30) days or more, in the payment of their dues, the Union, after properly notifying the Employer, the employee shall be separated from their employment.

Section 2. Checkoff. The Employer agrees to deduct periodic, monthly Union membership dues or the monthly service fee from the pay of each employee who voluntarily executes and files with the Employer the proper checkoff authorization form. The checkoff authorization form shall be used exclusively and shall be supplied by the Police Officers Association of Michigan.

Section 3. Save Harmless. The Union shall indemnify and save the Employer harmless against any and all claims, demands, suits, liability and any other action arising from this Article or compliance therewith by the Employer.

ARTICLE 6

SPECIAL CONFERENCES

Special Conference Procedure. The Employer and the Union agree to meet and confer on matters of mutual concern upon written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matter to be discussed and the reasons for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing bargaining negotiations nor to in any way modify, add to or detract from the provisions of this Agreement.

Meetings and conferences pursuant to this Section shall be held at a time and place mutually agreeable to the parties. Each party shall be represented by not more than four (4) persons, no more than three of whom shall be bargaining unit members.

The Union may meet at a place designated by the Employer on the Employer's property for a period not to exceed one half (1/2) hour immediately preceding a conference

for which a written request has been made. Employees attending shall be paid, but only for straight time hours they would have otherwise worked on their regularly scheduled shift.

ARTICLE 7

DISCHARGE AND DISCIPLINE

Section 1. For all non-probationary employees, discipline shall be for just cause.

Section 2. Discipline Notice. The Employer agrees, upon the discharge or discipline of an employee, to notify in writing the employee and their steward of the discharge or discipline. Said written notice shall contain the reasons for the discharge or discipline. Should the discharged or disciplined employee consider the discharge or discipline to be improper, it shall be submitted to the grievance procedure. Notwithstanding the above, probationary employees are not entitled to use the grievance procedure.

Section 3. Prior Discipline. In imposing any discipline or discharge on a current charge, the Employer will not take into account any prior infractions involving suspension which occurred more than thirty-six (36) months previously. For infractions not involving suspension, the Employer will not take into account infractions which occurred more than thirty (30) months prior.

Section 4. Representation. The employee against whom charges have been made may be represented at such hearing by the steward or Union representative or Union attorney.

Section 5. Charges and Specifications. The charges and specifications resulting in such discipline or discharge shall be reduced to writing by the commanding officer invoking the action and copies shall be furnished to the chief steward or the alternate chief steward and the member against whom the charges are brought. The chief steward and employee involved shall sign and acknowledge receipt of the disciplinary action.

ARTICLE 8

GRIEVANCE PROCEDURE

Section 1. Definition of Grievance. The term "Grievance" as used in this Agreement is defined as a complaint involving the interpretation of, application of, or compliance with this Agreement. Any grievance filed shall refer to the specific provision(s) alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation. All grievances shall be commenced within ten (10) days after the occurrence of the circumstances giving rise to the grievance, or ten (10) days from the date when the employee should reasonably have been known of the occurrence. Any claims not conforming to the provision of this definition shall be automatically defined as not constituting a valid grievance.

Section 2. Time Limitation. The time limits set forth in the grievance procedure shall be followed by the parties. If the time procedure is not followed by the Union, the grievance shall be considered settled on the basis of the Employer's last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step. Saturday, Sunday and holidays shall not be counted under the time limits established by the grievance procedure. The grievance may be withdrawn at any step of the procedure. Grievances so withdrawn shall not be reinstated.

Section 3. Procedure for Grievances.

A. Grievances shall be processed in the following manner within the stated time limits.

B. For grievances involving discipline, suspension, demotion or discharge, the Union shall present the grievance in writing to the Sheriff or their designated representative within ten (10) days after the occurrence of the circumstances giving rise to the grievance, or ten (10) days from the date when the employee should reasonably have known of the occurrence.

C. The Sheriff or their representatives shall have ten (10) days to answer in writing.

D. If the Union is not satisfied with the answer of the Sheriff for matters other than discipline, suspension, demotion or discharge, it may appeal to the County Administrator within ten (10) days of receipt of the Sheriff's answer. Said appeal shall be filed in writing and a copy also filed with the Sheriff. A meeting shall then be held within fifteen (15) days of said appeal between the County Administrator, the Sheriff, the employee, and up to two (2) representatives of the Union. The Employer and the Union may have outside representatives present if desired. Such outside representation shall be limited to the Police Officers Association of Michigan attorney and/or Field Representative, and the County attorney and two (2) Commissioners. The County Administrator shall then answer the grievance in writing within ten (10) days of the appeal meeting.

E. In the event that the grievance is not settled in sub-section C or D, the Union or the Employer may, by written notice to the other, request the services of the Michigan Employment Relations Commission to attempt to resolve the grievance by mediation. Said request must be made within five (5) days following receipt of the Sheriff or County Administrator's response.

F. If the Union is not satisfied with the answer in sub-section C, D, or E, it may appeal the grievance to arbitration by notifying the Sheriff and County Administrator of their desire to arbitrate within fifteen (15) days of receipt of the answer from sub-section C, D or E. If the parties cannot agree upon an arbitrator they shall select one through the Federal Mediation and Conciliation Service (FMCS). The parties shall use the same selection

procedure specified in Section 4. Arbitration. The decision of the arbitrator shall be final and binding upon all parties.

G. The fees and expenses of the Arbitrator and FMCS shall be shared equally by the Employer and the Union.

H. Any of the time limits set forth in the Procedure for Grievances Section may be shortened or extended by mutual written agreement of the parties.

Section 4. Arbitration.

A. In accordance with the procedures of FMCS, the Union may file a demand for arbitration on all grievances specified above within fifteen (15) days after receiving the Employer's answer, not including the date of the receipt of the answer as specified in Section 3 (F) above.

B. Within five (5) days after receipt of the list of arbitrators, the moving party shall proceed to strike two (2) names from the list and the other party shall strike two (2) names until only one such name remains and that person whose name remains shall become the impartial arbitrator to be used in hearing the dispute.

C. The impartial arbitrator thus selected shall be contacted directly by the parties and shall be requested to proceed as expeditiously as possible in hearing the case, following which they shall thereafter render their decision, in writing, within thirty (30) days from the close of the hearing.

D. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter, or modify this Agreement in any respect. By accepting a case from the parties, the arbitrator acknowledges their limitations of authority, and agrees not to decide an issue which is outside of their jurisdiction under this Agreement.

E. The arbitrator's decision shall be final and binding on the Employer, Union and employees; provided, however, that this shall not prohibit a challenge to the arbitration decision in a court of competent jurisdiction, if it is alleged that the arbitrator has exceeded its jurisdiction, or that such decision was obtained through fraud or other unlawful action.

F. Either party may, at its own expense, employ the services of a certified court reporter for the purposes of preserving the proceedings at the hearing.

G. The Employer shall, upon request, make employees who are on duty available as witnesses. The chief steward or their designated representative may attend all

arbitration hearings and shall be paid at their regular rate by the Employer if they are scheduled to work.

Section 5. Election of Remedy. When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, in addition to the Grievance Procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited. The above does not apply if there are two (2) separate issues arising from the same incident. Employees still must adhere to the contract grievance procedure time limits.

ARTICLE 9 **SPECIAL PROGRAMS**

Section 1. Training. All regular and non-probationary officers who have not completed the Mid Michigan Police Academy or its equivalent may receive such training on a schedule approved by the Sheriff in order that all existing officers may complete training.

Section 2. Firearms. The Sheriff may require all officers to qualify with their weapons once or more per year. Certified deputies shall be entitled to up to five hundred (500) rounds of ammunition for practice and to qualify, per year.

Section 3. Basic First Aid Course. All patrol personnel shall obtain and maintain Red Cross standard first aid certification at the Employer's expense.

Section 4.

A. If an employee desires to improve themselves through education on a job related matter such as adult evening classes, local schools or colleges, they may be given a work schedule enabling them to attend such schools, provided the work schedule does not interfere with the department work routine and is approved by the Sheriff and all employees whose own schedules will be affected thereby.

B. Any officer who is required to attend any institute, conference or other education program by the Sheriff shall be provided traveling expenses, per County policy, including regular wages, to attend such institute with the prior approval of the Sheriff. This Section shall not be subject to the grievance procedure.

ARTICLE 10

Section 1. All full time employees covered by this Agreement who qualify shall receive eight (8) hours holiday pay at their straight time hourly rate for each of the holidays designated in Section 2 in November of each year by separate check.

Section 2. The recognized holidays are:

Martin Luther King Day	Veterans Day
Presidents Day	Thanksgiving Day

Full time employees who work on any of the holidays provided in Section 2 shall receive the holiday pay provided in Section 1 plus time and one-half straight time hourly rate for all hours worked on the holiday (Example: Employee works nine (9) hours on a holiday. They will receive time and one half for the nine (9) hours worked plus eight (8) hours of holiday pay as provided in Section 1 (Holiday Pay) for a total of twenty-one and a half (21.5) hours of pay.) If an employee does not work on the holiday, they shall receive eight (8) hours holiday pay only.

For employees assigned to work Monday through Friday, if the holiday falls on a Saturday, Friday is the day off. If the holiday falls on Sunday, Monday is the day off. These Employees shall not work the holiday(s) unless ordered by the Sheriff to do so. (Example: If employee is scheduled to have the holiday off, they will receive thirty-two (32) hours of pay and eight (8) hours holiday pay; for a total of forty (40) hours.)

Section 4. Holiday Eligibility. Employees to be eligible for holiday pay must meet the following conditions and qualifications:

- A. The employee must work the department's last regularly scheduled day before and the first regularly scheduled day after the holiday unless otherwise excused by the Sheriff.
- B. An employee who is scheduled to work on a holiday but fails to report for work, unless otherwise excused by the Sheriff, shall not be entitled to holiday pay.

Section 6. Upon separation from the department an employee shall be paid in cash for all accumulated holiday time at the prevailing rate of pay.

Section 7. Part time employees who work a holiday shall receive time and one half for all hours worked.

ARTICLE 11 **PERSONAL LEAVE**

Section 1. Paid Time Off. Eligible full-time employees will receive paid time off (PTO) each benefit year. In reference to PTO, "benefit year" means the first day of the pay period of the first pay date through the last day of the pay period of the last pay date occurring within the calendar year. PTO satisfies the requirements under the Michigan Paid Medical Leave Act (MPMLA).

Employees hired as full-time shall receive PTO under the following conditions and qualifications when implemented by the Employer:

A. Shall receive fifty-six (56) PTO hours per benefit year which will appear on the first pay date of each year.

B. Newly hired employees will receive a pro-rated bank of PTO hours based on the remaining pay dates in the current benefit year.

C. PTO is calculated based on pay dates in the benefit year.

D. Employees may carry over a maximum of twenty-four (24) hours from one benefit year to the next. Any PTO that exceeds this amount on the last day of the benefit year will be paid to the employee at the rate of pay the time was earned.

Example: The last pay date in the 2020 benefit year is December 31, 2020, which is for the period of December 13 – December 26, 2020. Employees must have 24 PTO hours or less by the end of the day on December 26 or hours in excess will be paid out on the next pay period.

E. Employees with more than one (1) year of full-time service and who comply with Article 25.12 shall be paid for any PTO, pro-rated based on pay dates worked in the same benefit year, upon separation of employment.

F. PTO is not earned after the first thirty (30) days of disability or after the third (3) day of disciplinary suspension without pay.

An employee wanting to use PTO for personal reasons must schedule it in advance with their immediate supervisor. The Sheriff retains the right to approve and disapprove, in whole or in part, PTO requests, and may reschedule PTO dependent upon the department's operational needs. When an emergency exists the employee shall notify their immediate supervisor as soon as possible or within one (1) hour; whichever is less.

After an employee has exhausted their PTO benefits, if any unpaid leave is granted, it shall be without accumulation of any fringe benefits except as may be required by FMLA for health insurance.

PTO benefits may not be taken in units of less than one (1) hour, unless otherwise approved by the Sheriff.

In addition to personal reasons and in accordance with the Michigan Paid Medical Leave Act, PTO may be granted for the following medical reasons:

- Physical or mental illness, injury or health condition of the employee or their family member.
- Medical diagnosis, care or treatment of the employee or employee's family member.

ARTICLE 23 **HOURS AND RATES OF PAY**

Section 1. Hours and Work Week. The normal working shifts for full-time employees in the classification of deputies shall be operated on a fourteen (14) day repeatable scheduling cycle. The Sheriff reserves the right to return to eight (8) hour or ten (10) hour shifts upon fourteen (14) calendar days written notice.

Section 2. Exceptions. Any exceptions or changes to the starting or quitting time of departmental shifts for any employee or group of employees shall be subject to the special conference provision. If the parties are unable to agree, the Union may file under the grievance procedure as provided for herein. Any reduction in the work week or the workday or any reduction involving a combination of the length of the workday, work week, shall be the object of collective bargaining.

Section 3. Schedule. A shift schedule shall be posted once every calendar month to determine the normal workdays and hours including all scheduled days off for every member of the bargaining unit. Said schedule shall be posted at least twenty-one (21) days prior to its effective date.

Section 4. Changes in Schedule. An employee shall be notified in writing at least fourteen (14) calendar days prior to any change in their regular day off sequence or shift, provided, however, that this provision shall not apply when there are emergency situations or manpower shortages, or when an employee requests such change and it is approved by the Sheriff. (The Sheriff shall be allowed to continue swing shifts per letter of understanding, attached to this contract). The Employer will not change any employee's schedule in order to avoid the payment of overtime, except as provided in the above referenced Letter of Understanding, because of Union activity or for the purpose of disciplinary action.

Section 5. Shift Bids. Employees except Sergeants shall be allowed to bid for the shift they desire once each year, allowing the employee with the highest department seniority first choice and so on down the seniority list. These bids must be submitted by October 31 each year to be put in effect on the first schedule in January of the following year.

Section 6. Overtime. Overtime for all employees shall be at the rate of time and one-half (1½) their regular hourly base rate of pay under the following conditions:

Section 7. Compensatory Time. At the request of any employee eligible for overtime, compensatory time may be taken in lieu of cash payment at the rate of time and one-half (1½) hours for each hour of overtime worked, when notice is given at the time the aforementioned time is worked, and is requested at least thirty (30) days in advance of time desired or at a mutually agreed upon time during the calendar year or three (3) months following the calendar year the time was worked. If this notice of desire to take compensatory time is not noted on the employee's voucher at the time the hours are worked they will be paid for the time worked on the following pay period as usual. Further deferment of such time off shall be allowed only if approved by the Sheriff. In the event that such time off is not taken within the limiting time by the employee, they shall be given cash payment at the rate based on their salary at the time the hours were worked. The maximum accumulated compensatory time allowed is sixty (60) hours at any one time.

Section 8. Overtime Distribution. When bargaining unit overtime work becomes available which has not been scheduled, it shall be offered first to regular full-time deputies on duty before said overtime shall begin. It shall be next offered to off duty full time deputies, if no regular full-time deputy accepts the overtime it may then be offered to either part time deputies or other members of the Sheriff's Office. If no other employees of the Sheriff's Office accepts the overtime or if not offered to them by the Sheriff, then the overtime may be assigned to the least senior eligible full time deputy. The sheriff or their designated representative shall make every effort to distribute, as equally as possible, overtime among regular full-time employees.

Breaks shall not interfere with an employee's complaint load and the opportunity to take a break is contingent upon there being available time, given the employee's complaint load. Work breaks not taken shall not accumulate.

Section 10. Court Time. Employees summoned or directed into court, including Probate Court or official hearing, during off duty hours, shall be compensated at the rate of time and one-half (1 ½) with a minimum rate of two (2) hours.

Whenever the Employer establishes a new classification within the collective bargaining unit, the Union shall be notified of the rate of pay assigned to the classification. The Union shall have fifteen (15) calendar days from receipt of such notification to object to the assigned rate. If no objection is made within that

time, the Employer may implement its proposal. If an objection is made as stated above, the parties shall meet within thirty (30) calendar days to negotiate any change which might be required.

Section 7. Lockers. A full-length locker shall be designated for each employee and shall be capable of holding all their police equipment and shall be properly placed in a separate and distinct room.

Section 8. Humanitarian Clause. Should an employee covered by this Agreement become physically or mentally handicapped to the extent that they cannot perform their regular job, the Employer will make an effort to place the employee in a position within the bargaining unit that they are physically and mentally able to perform.
