

# Medication

# Disposal

## Newaygo County

**Prescription drug abuse  
is the **fastest** growing  
drug problem in the US.**

You can **help** by  
monitoring your drugs and  
disposing of them properly

- **Safely dispose by taking unused or expired medicines to a disposal location (see list on back)**
- Store in a safe place, out of reach of children, preferably in a lock box
- Don't flush pills or liquid medication down the toilet or drain
