Notes:

Those working without a permit will be charged double the permit fee.

Normal tiling, planting, and harvesting of crops are exempt.

Farmers working under the agreement with the Soil Conservation Service are exempt provided they comply with the regulations of Part 91 of Act 451 of 1994, as amended.

Logging is exempt; however, access roads or other activities associated with logging may require a permit.

Cash, check and money order are accepted in the office. Credit/Debit cards are accepted with an additional processing fee. Make checks payable to Newaygo County.

Permits expire 1 year from issue date.
