

Newaygo County Commission on Aging Title VI Policy

Revised: October 20, 2023

Title VI of the Civil Rights Act of 1964 prohibits discrimination based on race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (42 U.S.C. Section 2000d).

The Commission on Aging is committed to ensuring that no person is excluded from participation in or denied the benefits of its transit services based on race, color, or national origin, as protected by Title VI in Federal Transit Administration (FTA) Circular 4702.1B. If you feel you are being denied participation in or being denied benefits of the transit services provided by the Commission on Aging, or otherwise being discriminated against because of your race, color, national origin, gender, age, or disability, you may contact our office at:
