

Dog Licensing For Newaygo County

An owner of any dog that is 4 months old or older must ensure that the dog wears a collar at all times, with a license tag obtained from the County Treasurer's Office. The only exception to the requirement of a license tag on a dog collar is if the dog is engaged in lawful hunting, accompanied by its owner or custodian.

The Newaygo County Board of Commissioners finds that the fees imposed are necessary to fund Newaygo County's obligations under the Dog Law.

Dog licenses may be purchased with a current proof of rabies vaccination at:
